

"Gifts of Faith . . .
Gifts of Hope . . .
Gifts of Love"

"Whoever welcomes one of these little children in my name welcomes me ..." Mark 9:37

Dear Friends,
Christmas 2018 was an outpouring of love to over 3250 children! [Click Here](#) Thank you!

Good News Gang is one of the 49 sites we provided gifts to in December. Every week their bus drivers pick up children in the same neighborhoods in Detroit and bring them to their programs. They mentor the children, teach them about Jesus and their lives change as relationships develop. Just before Christmas the drivers load our bags of gifts on their buses and bring along extra people to pray with the families as they deliver. In one home the mother tearfully hugged the volunteer and said, "It's been such a tough year and I didn't have anything to give my children, thank you." Another mother tearfully shared the father of her four children had passed away in December and the gifts meant so much. We thank the Lord that because of our many donors and volunteers we can meet needs and share the love of Christ with thousands of children all year long! Our gifts and programs help connect them to churches and ministries where they are mentored and taught about Jesus!

God bless you and your families in 2019!
Patti
